Dear prospective students,

We at Liverpool John Moores University (LJMU) are delighted to be working in partnership with Unicaf, to offer a range of LJMU postgraduate programmes that will equip students with the necessary skills and knowledge to make a real impact in their own communities and further afield.

Through this partnership, and Unicaf's state-of-the-art, online learning platform, we are able to offer students access to a real-world focused, high quality, but affordable, internationally recognised education. LJMU prides itself on delivering programmes of study that meet the needs of employers and governments, regionally, nationally and internationally. More importantly, we offer education that has the potential to transform our students' lives. By working in partnership with Unicaf, we hope to be able to make a difference to an even wider, global community.

As we continue to expand our programme portfolio online, we look forward to welcoming new students to the LJMU community.

I wish every one of you success in your future studies.

ABOUT THE PARTNERSHIP OF LJMU AND UNICAF

The partnership between Liverpool John Moores University and Unicaf brings together the resources and capabilities of both organisations to offer innovative learning solutions and study programmes which are delivered fully online and cover the needs of a wide range of professionals. Both partner institutions have extensive experience in the provision of quality, innovative teaching and learning, and continuing professional development.

Unicaf offers one of the most generous scholarship programmes available today to make quality higher education affordable and to provide opportunities for advanced academic studies leading to internationally recognised qualifications.

Unicaf's state-of-the-art, online digital platform, which houses the Virtual Learning Environment, (VLE), facilitates the online delivery of LJMU study materials and also provides continuous, multi-level student support.

Liverpool John Moores University is responsible for the academic quality of the programmes and the award of degrees. Unicaf is responsible for the recruitment, admission, enrolment and support of online learners to receive LJMU awards approved for distance online delivery. Graduates receive the same Liverpool John Moores University award, as on-campus students.

BENEFITS OF ONLINE LEARNING

Through the Unicaf VLE, students have round-the-clock access to study materials and an extensive e-library with a vast collection of volumes. This allows students to study at their own convenience, without disrupting work and family commitments. The Unicaf VLE also facilitates interaction and networking among students from 190 countries.

Highly qualified lecturers provide personalised student support and academic guidance, leveraging modern technology tools such as videos, podcasts, summative essays, quizzes, and polls to create an engaging and enjoyable learning experience.

Online students have the flexibility to study at their own pace, whether it's from the comfort of their home, during office lunch breaks, or even while commuting. They can use any internet-connected electronic device, from PCs to mobile phones, to pursue an affordable British degree without having to uproot their families or pause their careers.

MONTHLY ADMISSION

Students have the opportunity to enrol and start their academic journey year-round. Through monthly intakes, individuals can join this vibrant learning community at any time, allowing for flexibility and accessibility in pursuing higher education.

EMPLOYABILITY

The partnership's programmes prioritise employability by providing an international perspective, equipping students for global job markets and a rewarding return on their educational investment. Interacting with academics and peers from different countries offers valuable insights into diverse industries and work cultures, fostering a broader professional network.

The academic qualifications awarded by Liverpool John Moores University through Unicaf are internationally recognised and highly esteemed by employers worldwide.

ADMISSIONS

The Office of Admissions is committed to ensuring an inclusive approach in its recruitment and admission of prospective students; aiming to provide higher education opportunities to anyone with the potential to benefit and thrive from their chosen programme of study.

We take into account all aspects of each candidate's profile: academic, professional and personal, with a view to admitting those who are eligible for higher education, show strong potential and determination for career success and can contribute to a rewarding, collective educational experience.

POSTGRADUATE ADMISSION *

- An accredited UK Honours degree with minimum 2.2 classification or international equivalent. Some professional qualifications may also be acceptable. Extensive professional experience may also be considered.
- Official transcripts from all universities, colleges and other post-secondary educational institutions attended.
- English Proficiency: Students satisfy the English proficiency requirements provided they present a GCSE score with a minimum grade "C" or IELTS (Academic) with an overall score of 6.0 (and no individual component lower than 5.5) or equivalent English language qualification. Alternatively, students who do not acquire the above qualifications, may take the Unicaf Academic English Placement Test. This is an IELTS-type test (Reading & Writing) where students need to score an overall 6.0 (with no individual component lower than 5.5).
- Personal Statement (minimum 500 words) explaining how the programme of study will benefit the student's career progression.
- Up-to-date CV
- Two references (academic or professional) listed on CV stating referee's full name, contact details, and relationship to the applicant.
- Applications from nonstandard applicants are welcome and will be considered individually.

** Entry requirements may vary depending on the programme of study. For more information please contact the Office of Admissions, admissions@ljmu.unicaf.org*

RECOGNISED PRIOR LEARNING **

Students who hold a recognised UK Level 7 related qualification or have completed related postgraduate modules at an accredited institution and wish to gain advanced standing into a postgraduate programme may apply for RPL (Recognised Prior Learning) provided that the learning outcomes of their award satisfy those of the equivalent levels of the Master's programme for which they seek admission. The recognition and transferability of credits is subject to the Liverpool John Moores University RPL policy and requires the submission of official transcripts and module descriptions.

*** Recognised Prior Learning is available on some programmes only. For more information, please contact the Office of Admissions, admissions@ljmu.unicaf.org*

INDUCTION MODULE

Before students commence their academic course modules there is a 2 week self-paced Induction Module, providing an introduction to online study, and in which they will become familiar with the University academic rules and regulations, the online resources available to them, and further instruction on best academic practices which will be useful to them throughout their studies.
